

You have other ideas.

It was already a bit 'too late ...

Even when you arrived last week? Your problems heavier arriving after the first three words.

It always falls back to a certain time but often these days you feel far behind.

I wonder what he wanted instead was cursed that your neighbor or a thousand people combined.

We have all these problems already, we are all equal before the law.

Hello insecure. Or gin, gin, Can, which must come. Hello.

They were not, then, that so terrible machine gun.

See full human being that should continue with his car that goes down when everybody knows that. Yeah. Or your complaint and / or your friends.

You have "arrested" your environment, now you follow the arrow.

Worse than before.

May was also better in full summer! The heat that soothes like every year you come back if you do not oppress the accounts say the sentence ends here because your honor is lost, you lost the watch, where you hid instead. The reality is that big, giant concrete and things that say you're better off in a full happiness, you have something to say to you or further away, thief?

Object to your little happiness ... Always look on the news?

It 'a matter of essence, this constancy of change understood that replaces the contemporary, your present and I am the truth your God for what was really serious, take a break peace was said that life has always been much more short of our expectations infinite and finite in the rest of our days that we still live you see your neighbor who has studied at the end!

Do not stop do not worry there's nobody behind you seems to you like but emphasizes a bit 'up and see which is better.

Another coffee.

I had a good lunch hour I light a cigarette, now continues the day is not always a bad habit of saying the same things for that matter a personal representation applied to your language and your company "today" that you do not want to see me do you?

The truth will come today during the day, such as your favorite dream that's in your phone American, Japanese and Thai then.

See how many things and many do not say during the week so forgive me, forgive me, and wished a continuation of the segment, your secret, the projection of the sun to you, etc..

Not everything is free in Italy and around the world has this need for freedom!

Counterfeiters themselves, prisoners in freedom, you, you should not know anything so that evacuated for the rest of life leave you in good clown, at one point.

Grow the ruins of your time lingers in your distractions are not up to the point of where the sun shines on the day of his light hearted certainly be alone where you are going to end tonight I know it's place to tell your little destruction. Amine your not even know yourself what had happened and you tell me why nobody talks to you or in the general sense because it comes tomorrow or in the near silence of the desert petty and mean as you earn money without regard to hours and minutes . Why no one talks to others and the public to what really is tomorrow!

So you are not me, I'm not you and all those who know them really! We really lost? Lost people free. What has happened has donated drugs? Where did it happen? Who is successful? The time of no word.

Buried inside the house and behind a concrete wall from when you guys played.

You just wrong home address is not true that we are all equal to the fascists, the ignorance you mound? Here is how to wake up and moves the world and your city tomorrow morning, without touching anything!

See you soon. G.

You wanted to live a little 'more about you not exaggerating how long you wanted to live with me because it is so, because you wanted to just live with me as we have already exceeded your friend bastard in that he was your boyfriend easy but cheap who does not speak from the spray, you still here but who says these things that he exaggerates exaggerating what you can not write any stretch and it's over you, p.s. your idols do not come here, where no landing Gerardo I feel your music as you go in the back fat you rest, you want what is not there that I know that is useless but I have a Ferrari mica under house who will be those who are talking about? God or the world is ugly misery of poverty or gasoline fooling those who do not

live there but in reality tells you that because in the end you died because your god instead of being dead as you recommend your best friend is alive and Ferrari is not that I'm Gerard. I am all the things we are not the Christian God.

Go, go, do not go in for lunch and dinner pad good friend, do not vomit. See for yourself what is yours. Hello. Until next time there is for sure where your school made you fired because he's farewell, farewell to you who do not live.

You add a very important note that all writers encounter besides me, are far below me.

Disclaimer everyone outside of Gerard under the Gerard.

I am God made a little boys, more the boy after seven glasses of wine, the reality is your flesh as the sky in your room.

Try to digest so much better for that matter, begins to count, one two three four then on, then good night navigator has jammed our president of our state went into another room to think.

Now let us pause for pleasure.

The history and the history that continues in the sea of Your ideas that no one can understand if you do not understand our time. The aid is very useful, and tell me what my dear brother who talks to you! Who has organized the day Monday? Who I am? Where is sometimes thought?

The memory of 1990.

And I'm everything.

Me and the power of now that is ready in ten minutes.

Your advice obscene that anyone should know this place shame st.

What are we doing here?

Say it is too long to say that I lost, fag.

Memory is like a sheet of paper written where your memories are imprinted.

Your are burnt, sprouted here ... if you stop ten feet, you'll know that this is the battery - battery is exhausted and there was the sight of good and bad.

It takes us want more freedom than I see you. On the other hand later goes out and finds everything! Where you are free to walk, where he freed the people to choose for your information because I've always been useful simpler taken the

liberty to choose the people to talk. Want peace but they want war, I am a God or undeclared foreign law.

The Simpsons after the earthquake theme.

The earthquake in heads, storm, what to put in jail today? French fries. P.S. are all gone from there to see a movie?

Hereafter. Life is not a game, a diversion is in front of you.

It was the month of May but the poems were not you a genius for nothing ... so began the sentence of your dispute summer: who will go wrong this summer.

Time test, fear or jealousy.

It 's so that sometimes ends the sentence or the day of stroke or tearing.

Exit the crowd to meet.

Hello spring, hello ice thawed,

You that you not more words because others say.

... Soon. G.
